

The instructor for this course will be:

Robert Hickey

Robert has 25 years in the swimming pool industry and maintains current CPO® (Certified Pool Operator) and CPI (Certified Pool Inspector) status, as well as training other CPOs as an PHTA (Pool and Hot Tub Alliance) Instructor.

He has factory training from Engineered Treatment Systems (UV installation, Service and Repair), Sta-Rite (Hydraulic Design), and SR Smith (Aquatic Accessibility and ADA Compliance).

Robert also makes himself available anytime outside of office hours, can be contacted when “on the road”, is not afraid to “get in and get dirty” on service calls, and absolutely loves sharing his knowledge - while still being open to the opinion of others.

Cancellation Policy

Without exception, if a withdrawal is made 5 working days prior to the start of the course a 30% administration fee will be deducted.

No refunds will be issued after Apr. 23rd, 2020; however, you may substitute another person to attend at no additional charge.

If the course is cancelled for any reason, including inclement weather, all registrants will be contacted and a full refund will be provided.

Recreation New Brunswick is a not for profit organization dedicated to advancing the recreation and parks field by broadening the knowledge and experience base of our members.

We will be hosting this Certified Pool Operator Course in conjunction with Water and Ice, a Canadian company specializing in the commercial swimming pool market.

April 28th – 30th, 2020
